VILLA RENÉ LALIQUE WINE CELLAR 60'000 BOTTLES FROM AROUND THE WORLD

WINE CELLAR PROJECT HOTEL & RESTAURANT VILLA RENÉ LALIQUE

With a collection of over 12,000 bottles and a wine list of over 60,000 bottles, the Villa René Lalique wine cellar in Wingen-sur-Moder in France is one of the largest and most beautiful in Europe.

We further developed our AERNI wine storage rack in close cooperation with the client. Thanks to decades of experience, innovative ideas and in-house sheet metal processing, AERNI developed a unique jewel that celebrates the exclusivity of the wines stored in the cellar.

WINE STORAGE SYSTEMS FOR WINES FROM AROUND THE WORLD

AERNI wine storage systems are as diverse as the wines of the world. We produce customised racks for a wide range of case and bottle formats with pull-out drawers or shelves. Besides the standard colour anthracite, other colours are also available on request.

It would be our pleasure to transform your wine cellar into a jewel. Contact us for a non-binding offer.
